Regina Canada S4S 0B3

### **A Message from the Premier**

On behalf of the Government of Saskatchewan, I am pleased to extend warm greetings to everyone joining the 10<sup>th</sup> annual Evening of Hope Gala, presented by Lung Cancer Canada.

This first ever National and Virtual Evening of Hope encourages audience interaction by inviting all Canadians to exchange heart-warming stories of survivorship. With November being Lung Cancer Awareness Month, Lung Cancer Canada is working hard to increase public awareness, culminating in this gala.

Since 2002, Lung Cancer Canada has been a leading resource for lung cancer education, providing support to and advocating for people living with lung cancer. In giving voice to patients affected by Canada's deadliest form of cancer, Lung Cancer Canada helps to demystify this disease.

The organizers and sponsors of this event are commended for all their additional work in putting together this year's first virtual gala.

Congratulations on your milestone anniversary and best wishes for an enjoyable evening.
