

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings to the 11th annual Evening of Hope.

As Napoléon Bonaparte said, “Courage is like love; it must have hope for nourishment.” It is not always easy to see the dawn, particularly in the dark of a cancer diagnosis. Every year, though, Lung Cancer Awareness Month and the Evening of Hope event help shine a light on the fight against this disease, which affects the lives of thousands of Albertans and their families. As you gather in community to hear survivors’ stories and learn more about the latest advances in research, my hope is that you will find the nourishment you need to keep going and look forward to brighter days.

Thank you to Lung Cancer Canada for making this event possible. I appreciate the tireless efforts of your leadership, staff and volunteers to support and empower patients and their families and caregivers.

Best wishes and enjoy this opportunity to celebrate together.

Hon Jason Kenney, Premier of Alberta
