

Premier of Ontario - Premier ministre de l'Ontario

November 2020

## **A MESSAGE FROM PREMIER DOUG FORD**

I want to extend warm greetings to everyone marking Lung Cancer Awareness Month and to everyone taking part in the Evening of Hope, hosted by Lung Cancer Canada.

This November is an ideal opportunity to learn more about lung cancer — its causes, symptoms and treatments. The Evening of Hope Gala will be a celebration of hope, survival and major scientific inroads against Canada's most common cancer.

I thank the amazing team at Lung Cancer Canada (LCC) for putting together this virtual celebration. LCC's commitment to patient support, research, education, and advocacy have done much to help patients and their families cope with this disease.

Best wishes for a successful Lung Cancer Awareness Month and a memorable Evening of Hope gala.
