Dear Shem Singh:

**2022 Lung Cancer Awareness Month (12<sup>th</sup> Annual Evening of Hope)**

Thank you for your letter to the Government of the Northwest Territories (GNWT) requesting a proclamation letter in support of 2022 Lung Cancer Awareness Month at the 12<sup>th</sup> Annual Evening of Hope scheduled for November 13, 2022.

While we appreciate the efforts of Lung Cancer Canada to promote lung cancer awareness and its significance at the 12<sup>th</sup> Annual Evening of Hope, the GNWT does not publish messages or issue proclamations for commemorative days.

We recognize and value the twenty years of advocacy Lung Cancer Canada has done towards lung cancer education, patient support, and research. Your work to increase public awareness of lung cancer, enable access to educational resources to the general public, and the support your organization provides to lung cancer patients and their families is truly commendable.

On behalf of the Government of the Northwest Territories, I wish you a successful and enjoyable 12<sup>th</sup> Annual Evening of Hope.

Sincerely,

  
Caroline Cochrane  
Premier
