## **A MESSAGE FROM PREMIER DOUG FORD**

Hello and welcome to everyone taking part in Lung Cancer Canada's Evening of Hope.

This is a celebration of courage, survival and major scientific inroads against Canada's most common cancer. As November is Lung Cancer Awareness Month, this event is an ideal opportunity to learn more about the causes, symptoms and treatments of this deadly disease.

I thank the amazing team at Lung Cancer Canada (LCC) for putting together this virtual celebration. LCC's abiding commitment to public education, patient support, research, and advocacy has greatly helped patients and their families cope with this disease.

Best wishes for a successful Lung Cancer Awareness Month. Have a wonderful evening.
